ROBERT HOOD DIES

BURLINGTON JUNCTION BOY, 18, DROWNS IN NODAWAY RIVER.

WENT BEYOND HIS DEPTH

Was A Poor Swimmer and Was Unable to Save Himself—Two Companions Witness Accident.

Robert Hood, 18 years old, son of Mr. and Mrs. A. M. Hood of Burlington Junction, was drowned in the Nodaway river, one mile northwest of Burlington Junction, about 11 o'clock yesterday morning.

In company with two other boys, Ray Alvis, son of Mr. and Mrs. E. E. Alvis and Will Springer, son of Mr. and Mrs. A. W. Springer all of Burlington Junction, had gone swimming.

The boys were just about ready to quit when Hood got beyond his depth and being a poor swimmer was unable to save himself. The boys could not give their companion any assistance as they were both much smaller than he.

Springer ran to Burlington Junction for help and a party was formed at once to go to the scene of the accident. The men dived until 1 o'clock when they located the body.

Funeral services were held at 1 o'clock this afternoon at the First Christian church, the Rev. Horace Weaver officiating. Burial was in the Ohio cemetery.

Hood was the third youngest child in the family and had five sisters and a brother. For the last few months he had been engaged in farm work.

One of the most successful basket dinners and Sunday school conventions held in Nodaway county this year was that held by White Cloud township at Salem church, 12 miles southeast of Maryville Sunday. The election of officers resulted in the following: President: O. K. Smith; vice-president, T. A. Parrish; secretary, Mrs. J. R. Evans; treasurer, Mrs. J. T. The foregoing chairmen were appointed in the towns of the county for the purpose of taking charge of the work of organizing branches of the Nodaway County Red Cross Chapter. The chairman for the other towns of the county will be appointed this week and also for communities and neighborhoods where a Red Cross fund is likely to be subscribed.

Dr. F. R. Anthony and F. P. Robinson, officers of the Maryville chapter, have been swamped with telephone calls from the towns today asking that more blanks be sent as the demand for membership is overwhelming. The chairmen have both turned in full reports in many of the towns of the county, but the incomplete reports show that Nodaway county is in the race for $30,000 and wil ihave it in a short time.

In Maryville the work goes on with increasing enthusiasm. It is planned to keep on with the campaign for two or three weeks and longer if necessary. It must be remembered, however, that the Red Cross chapter is a permanent affair and every person is urged to take a membership in the organization.

KAISER TO BLAME

THE REV. MR. MILLER PLACES RESPONSIBILITY FOR THE WAR.

GIVES 3-YEAR HISTORY

Exonerates All Other Countries Excepting Austria Hungary, Who Was Germany's 'Cat's Paw,' He Says.

Placing the entire blame for the present world war on Kaiser Wilhelm of Germany, whom he called a 'moral nondescript,' and showing in a clear and impartial way how the history of the last three years proves this fact, the Rev. C. Emerson Miller, pastor of the First Christian church, gave the first of his series of war sermons last night. His subject, "The War — And Who is to blame?" was handled in a remarkably clear and forceful manner.

Mr. Miller began with the first event which, as he says, was the 'pretext for,' rather than 'the cause of' the war —the assassination of the Archduke Ferdinand of Austria, and his consort in the streets of Belgrade, Servia.

Each country's part in the war preliminaries was briefly reviewed and in each case the historical facts showed that every country except Austria Hungary and Germany, was against war. Austria-Hungary's part in the events which led up to the war, was played merely at the suggestion of Germany, who used her ally as her 'cats paw.'

"Whenever you see a thing with the label 'Made in Germany,' on it," said Mr. Miller, "You can remember that this monumental crime against civilization, this great world war, was also 'made in Germany,' and that the German autocracy is to blame for the bloodshed and the devastation of the last three years."

The Rev. Mr. Miller scored those writers who try to place the blame for the war every place but where it belongs.

"David Starr Jordan says, 'Military efficiency caused the war,'" was Mr. Miller's comment on this phase of the question, "But Mr. Jordan forgets that back of military efficiency there is ultimate personality and responsibility. Here the blame must lie.

"If military efficiency is to blame men, women and children have been murdered and there is no murderer; towns and fields have been burned but there is no incendiary; treaties have been broken, but no person has broken them.

"The disregard for treaties was especially emphasized by Mr. Miller as an outstanding proof of Germany's guilt.

"European treaties begin, 'In the Name of the Indivisible Trinity,' or 'In the Name of Almighty God,' said Mr. Miller. "These treaties are more solemn than any other compacts by man, and yet as is shown in the case of little Belgium, it was as a mere scrap of paper when it came between Germany and her plans."

"Belgium will ever stand out as the noblest and most romantic country of modern history," said Mr. Miller.

The Streets Need Cleaning.

Maryville's streets, especially in the business section of the town are a disgrace to a community so progressive and prosperous as the city is.

This is the opinion expressed by a number of Maryville business men this morning as they watched the papers and other debris as it was caught up by the wind and tossed about from place to place.

"I think it is about time that the city clean up the streets a little," said one of the men.

"Here too," commented another. The main streets look like there had been a street fair in town or something of that sort."

"Let's ask the Mayor to give the streets a surprise cleaning," said another.

"Allright," came the chorus.

The result is that the business men of Maryville through the Democrat-Forum ask the city administration to attend to cleaning and sprinkling the streets as soon as possible.

Rebate Week

June 25 - 30

On all tires or tubes brought in to us for repairs in this week, whether taken out then or not, we will give rebate. On all new tires or tubes or tire accessories bought this week we will give rebate.

We are not "beginners" in tire repair work—we have spent 11 years at this one trade alone. We have the only RETREADING machine in northwest Missouri. We don't "sew" tires together and call it retreading. Come in and see some of our work and let us explain it to you.

We sell Fisk and Mohawk Tires.

AT THE ELECTRIC TONIGHT

June Caprice, William Fox's Dainty Little Star, in "A Child of The Wild."

June Caprice, William Fox's daintly little star, has often delighted the patrons of Alcazar Theatre in Chattanooga, Tenn., from the screen. When she and her company dropped into that city to make exteriors of "A Child of the Wild," Manager Clifford B. Stiff, of the Alcazar, saws a chance to show his patrons their screen favorite in the flesh.

Mr. Stiff arranged for a pre-release run of "A Modern Cinderella." He also arranged to have the littlest star in his theatre at the time.

News that June was to attend the theatre must have leaked out. At any rate although Mr. Stiff is accustomed to crowded houses he had never dreamed of such crowds as came out to see that picture. His performances began at 10:30 a. m. Market street was packed all day and all night. Police had to handle the crowds.

When June was asked to step to the front of the theatre the audience gave her the reception of her life. The applause kept up so long she didn't get a chance to say a word, for which she was very thankful.

Chattanooga will not soon forget June.

Hanamo Telephone Ends Work.

The Hanamo Telephone company has finished the work of taking down the poles on the south side of Third street from Buchanan to Market streets. The street now presents a good appearance, without the unsightly poles.

BOTH MOTHER AND DAUGHTER

Relieved From Pain and Suffering by Lydia E. Pinkham's Vegetable Compound.

Brooklyn, N.Y.—"For three or four years I suffered a great deal of pain periodically, so I would have to lie down. My back would ache and I would feel very weak and miserable. I remembered how my mother had found relief from pain by using Lydia E. Pinkham's Vegetable Compound and I decided to try it, and thanks to the Compound it helped me just as it did my mother, and I am free from pain, backache and that general weakness that was so hard to bear. I am able to do my work during such times and am recommending Lydia E. Pinkham's Vegetable Compound to my friends who suffer as I did."—Miss META TIEDEMANN, 1622 Jefferson Ave., Brooklyn, N. Y.

To know whether Lydia E. Pinkham's Vegetable Compound will help you, just try it. For advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.

All Choked Up With Catarrh? Why Continue Makeshift Treatment?

Sprays and douches will never cure you.

Catarrh is annoying enough when it chokes up your nostrils and air passages, causing painful and difficult breathing and other discomforts. But the real danger comes when it reaches down into your lungs.

This is why you should at once realize the importance of the proper treatment, and lose no time experimenting with worthless remedies which touch only the surface. To be rid of Catarrh, you must drive the disease germs out of your blood.

Splendid results have been reported from the use of S. S. S., which completely routs from your blood the Catarrh germs, for which it is a perfect antidote.

S. S. S. is sold by all druggists. If you wish medical advice as to the treatment of your own individual case, write to-day to Chief Medical Adviser, Swift Specific Co., Dept. B Atlanta, Ga.

WENT BEYOND HIS DEPTH

Was A Poor Swimmer and Was Unable to Save Himself—Two Companions Witness Accident.

Robert Hood, 18 years old, son of Mr. and Mrs. A. M. Hood of Burlington Junction, was drowned in the Nodaway river, one mile northwest of Burlington Junction, about 11 o'clock yesterday morning.

In company with two other boys, Ray Alvis, son of Mr. and Mrs. E. E. Alvis and Will Springer, son of Mr. and Mrs. A. W. Springer all of Burlington Junction, had gone swimming.

The boys were just about ready to quit when Hood got beyond his depth and being a poor swimmer was unable to save himself. The boys could not give their companion any assistance as they were both much smaller than he.

Springer ran to Burlington Junction for help and a party was formed at once to go to the scene of the accident. The men dived until 1 o'clock when they located the body.

Funeral services were held at 1 o'clock this afternoon at the First Christian church, the Rev. Horace Weaver officiating. Burial was in the Ohio cemetery.

Hood was the third youngest child in the family and had five sisters and a brother. For the last few months he had been engaged in farm work.

The seat sale has been good and from the number of season tickets sold a good crowd at all three performances is assured. The Coburns have always been popular in Maryville and are noted for the high class entertainment which they produce.

White Cloud Township Has One of Most Successful Conventions in County—Basket Dinner.

One of the most successful basket dinners and Sunday school conventions held in Nodaway county this year was that held by White Cloud township at Salem church, 12 miles southeast of Maryville Sunday. About 1,000 persons partook of the splendid feast spread under the trees at noon, and a greater part of the crowd stayed for the afternoon session of the convention.

Miss Lucie Davis, G. B. Roseberry and Sam Gillam were the Maryville speakers on the program and each one gave an excellent talk on the phase of work discussed.

Ed Busby, the superintendent of the Sunday school "did himself proud" in making the visitors feel at home and in extending a general invitation to everyone to eat dinner.

The election of officers resulted in the following: President: O. K. Smith; vice-president, T. A. Parrish; secretary, Mrs. J. R. Evans; treasurer, Mrs. J. T. Goff; elementary superintendent, Gertrude Ike; secondary superintendent, Mrs. Will Conlin; adult and home superintendent, E. S. Hudson, and management superintendent, J. E. Wyatt.

Mr. Smith, the new president, resigned and someone to take his place will be elected next Sunday.

The foregoing chairmen were appointed in the towns of the county for the purpose of taking charge of the work of organizing branches of the Nodaway County Red Cross Chapter. The chairman for the other towns of the county will be appointed this week and also for communities and neighborhoods where a Red Cross fund is likely to be subscribed.

Dr. F. R. Anthony and F. P. Robinson, officers of the Maryville chapter, have been swamped with telephone calls from the towns today asking that more blanks be sent as the demand for membership is overwhelming. The chairmen have both turned in full reports in many of the towns of the county, but the incomplete reports show that Nodaway county is in the race for $30,000 and wil ihave it in a short time.

In Maryville the work goes on with increasing enthusiasm. It is planned to keep on with the campaign for two or three weeks and longer if necessary. It must be remembered, however, that the Red Cross chapter is a permanent affair and every person is urged to take a membership in the organization.

KAISER TO BLAME

THE REV. MR. MILLER PLACES RESPONSIBILITY FOR THE WAR.

GIVES 3-YEAR HISTORY

Exonerates All Other Countries Excepting Austria Hungary, Who Was Germany's 'Cat's Paw,' He Says.

Placing the entire blame for the present world war on Kaiser Wilhelm of Germany, whom he called a 'moral nondescript,' and showing in a clear and impartial way how the history of the last three years proves this fact, the Rev. C. Emerson Miller, pastor of the First Christian church, gave the first of his series of war sermons last night. His subject, "The War — And Who is to blame?" was handled in a remarkably clear and forceful manner.

Mr. Miller began with the first event which, as he says, was the 'pretext for,' rather than 'the cause of' the war —the assassination of the Archduke Ferdinand of Austria, and his consort in the streets of Belgrade, Servia.

Each country's part in the war preliminaries was briefly reviewed and in each case the historical facts showed that every country except Austria Hungary and Germany, was against war. Austria-Hungary's part in the events which led up to the war, was played merely at the suggestion of Germany, who used her ally as her 'cats paw.'

"Whenever you see a thing with the label 'Made in Germany,' on it," said Mr. Miller, "You can remember that this monumental crime against civilization, this great world war, was also 'made in Germany,' and that the German autocracy is to blame for the bloodshed and the devastation of the last three years."

The Rev. Mr. Miller scored those writers who try to place the blame for the war every place but where it belongs.

"David Starr Jordan says, 'Military efficiency caused the war,'" was Mr. Miller's comment on this phase of the question, "But Mr. Jordan forgets that back of military efficiency there is ultimate personality and responsibility. Here the blame must lie.

"If military efficiency is to blame men, women and children have been murdered and there is no murderer; towns and fields have been burned but there is no incendiary; treaties have been broken, but no person has broken them.

"The disregard for treaties was especially emphasized by Mr. Miller as an outstanding proof of Germany's guilt.

"European treaties begin, 'In the Name of the Indivisible Trinity,' or 'In the Name of Almighty God,' said Mr. Miller. "These treaties are more solemn than any other compacts by man, and yet as is shown in the case of little Belgium, it was as a mere scrap of paper when it came between Germany and her plans."

"Belgium will ever stand out as the noblest and most romantic country of modern history," said Mr. Miller.

The Streets Need Cleaning.

Maryville's streets, especially in the business section of the town are a disgrace to a community so progressive and prosperous as the city is.

This is the opinion expressed by a number of Maryville business men this morning as they watched the papers and other debris as it was caught up by the wind and tossed about from place to place.

"I think it is about time that the city clean up the streets a little," said one of the men.

"Here too," commented another. The main streets look like there had been a street fair in town or something of that sort."

"Let's ask the Mayor to give the streets a surprise cleaning," said another.

"Allright," came the chorus.

The result is that the business men of Maryville through the Democrat-Forum ask the city administration to attend to cleaning and sprinkling the streets as soon as possible.

We are not "beginners" in tire repair work—we have spent 11 years at this one trade alone. We have the only RETREADING machine in northwest Missouri. We don't "sew" tires together and call it retreading. Come in and see some of our work and let us explain it to you.

AT THE ELECTRIC TONIGHT

June Caprice, William Fox's Dainty Little Star, in "A Child of The Wild."

June Caprice, William Fox's daintly little star, has often delighted the patrons of Alcazar Theatre in Chattanooga, Tenn., from the screen. When she and her company dropped into that city to make exteriors of "A Child of the Wild," Manager Clifford B. Stiff, of the Alcazar, saws a chance to show his patrons their screen favorite in the flesh.

Mr. Stiff arranged for a pre-release run of "A Modern Cinderella." He also arranged to have the littlest star in his theatre at the time.

News that June was to attend the theatre must have leaked out. At any rate although Mr. Stiff is accustomed to crowded houses he had never dreamed of such crowds as came out to see that picture. His performances began at 10:30 a. m. Market street was packed all day and all night. Police had to handle the crowds.

When June was asked to step to the front of the theatre the audience gave her the reception of her life. The applause kept up so long she didn't get a chance to say a word, for which she was very thankful.

Chattanooga will not soon forget June.

Hanamo Telephone Ends Work.

The Hanamo Telephone company has finished the work of taking down the poles on the south side of Third street from Buchanan to Market streets. The street now presents a good appearance, without the unsightly poles.

BOTH MOTHER AND DAUGHTER

Relieved From Pain and Suffering by Lydia E. Pinkham's Vegetable Compound.

Brooklyn, N.Y.—"For three or four years I suffered a great deal of pain periodically, so I would have to lie down. My back would ache and I would feel very weak and miserable. I remembered how my mother had found relief from pain by using Lydia E. Pinkham's Vegetable Compound and I decided to try it, and thanks to the Compound it helped me just as it did my mother, and I am free from pain, backache and that general weakness that was so hard to bear. I am able to do my work during such times and am recommending Lydia E. Pinkham's Vegetable Compound to my friends who suffer as I did."—Miss META TIEDEMANN, 1622 Jefferson Ave., Brooklyn, N. Y.

To know whether Lydia E. Pinkham's Vegetable Compound will help you, just try it. For advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.

All Choked Up With Catarrh?

Why Continue Makeshift Treatment?

Sprays and douches will never cure you.

Catarrh is annoying enough when it chokes up your nostrils and air passages, causing painful and difficult breathing and other discomforts. But the real danger comes when it reaches down into your lungs.

This is why you should at once realize the importance of the proper treatment, and lose no time experimenting with worthless remedies which touch only the surface. To be rid of Catarrh, you must drive the disease germs out of your blood.

Splendid results have been reported from the use of S. S. S., which completely routs from your blood the Catarrh germs, for which it is a perfect antidote.

S. S. S. is sold by all druggists. If you wish medical advice as to the treatment of your own individual case, write to-day to Chief Medical Adviser, Swift Specific Co., Dept. B Atlanta, Ga.
